

Weekly Spotlight:

A Wellspring for Outreach...

Submitted by Carla Carson, Outreach & Volunteer Coordinator

Our Vision: We will be missional Christ-followers...

Internationally...

Fishers of Men Ministries Haiti *(Pastor Jay Threadgill)*

Our Work in Haiti: Daily Morning Prayer, Prison & Hospital Ministry, Street Evangelism, Feed the Children, Disaster Relief, and Christmas for Kids.

Immediate Situation: The south end of Haiti was totally destroyed by Hurricane Matthew. Our current relief efforts are helping the victims of this destruction (people have lost their houses, gardens and local agriculture, livestock, and existing with no food and no clean water). Our ministry lost four schools/churches in the area. Additionally, three more schools need roofs in the other parts of the country.

We're sending food, water, used clothes and medicine to a partner base church (part of our ministry for 30 years). They're distributing aid to our area churches & people. Instead of shipping from the USA, we purchase locally all that we need at an estimated cost of \$25K. A 20 foot container of aid has been delivered. To put into words the catastrophic need is near impossible! The next phase is to help with the rebuild of the church schools estimated at \$ 25K per building. Our target goal is to raise \$125K, with \$30K already raised.

Locally...

Special Gathering, Brevard A ministry dedicated to sharing the good news within the mentally challenged community. They meet in Cocoa, Titusville, and Vero Beach bringing in many of the mentally challenged population for fellowship. The programs meet on Sunday, allowing a respite time for families to be able to attend the worship services of their choice.

Brevard Public Schools With the holiday season approaching, there are needy families at Sea Park Elementary, DeLaura Middle School and Satellite High. If you are interested in assisting, contact Carla Carson: ccarson@TrinityWellsprings.com
