Christmas Worship

Submitted by Scott Jordan, Director of Worship Arts

Today we share in the lighting of the second candle of advent. Let's consider the many opportunities we will have to share that light in the coming weeks:

*Use this postcard to invite family, neighbors,
friends to the concert on December 11!*

Christmas Concert, Sunday, December 11: This year's concert, *Tonight, Heaven Touches Earth* will feature the Chancel Choir, orchestra, soloists and a dramatic presentation. It is often the case that over half of those who attend this event aren't from the Trinity Wellsprings family. Offering the concert at 4:00 pm and 7:00 pm gives you the opportunity to bring two different groups of family and friends! Use the inserted post card (more available at Resource Centers) to spread the word! Gather after the concert for refreshments. Childcare provided for children five and under.

Christmas Eve Candlelight Services: This year we will be offering three worship services.

4:00 pm Family Service, Sanctuary Family friendly service featuring the singing of carols, Children's Choirs, children assisting in worship leading, scripture reading, a brief pastor's message and candle lighting. Children will stay with their families; nursery is provided for children 2 and under.

5:30 pm and 7:00 pm Services, Sanctuary Both services will have carol singing, special music from the Chancel Choir and soloists, scripture reading, a pastor's message and candle lighting. Childcare will be provided for children age 5 and under.

Christmas Day Communion Service: Join Pastor Chuck Neder at 11:00 am in the chapel.
