Annual Congregational Meeting

Submitted by Scott Jordan, Business Manager

On Sunday February 12, 2017 we will hold our [Annual Congregational Meeting](#) at 1:00 pm in the chapel. At this meeting we will conduct some required business of the church for the following:

- State of the Church Report
- Receive nominations for three Covenant Partners to join the Elder Nominating Committee (please discuss and get permission from anyone you plan to nominate. All nominees must be present at the meeting). This requires a vote from the Covenant Partners. If we receive three nominations, the Covenant Partners can approve the slate as a whole. If we receive more than three nominations, voting will be conducted by ballots, with those three receiving the most votes being selected.
- Elect an additional Trustee from the current Ruling Elders (Session). This requires a yes/no vote from the Covenant Partners.
- Review of the 2017 Operating Budget. In ECO the Ruling Elders (Session) approve the budget and present it to the congregation for review. The Covenant Partners do not vote to approve the budget.
- Receive an update from the Pastor Search Committee on the progress they have made in their search for Trinity's next pastor.

Please make every effort to attend this important meeting. We need to have a quorum to be able to conduct any "business" at this meeting. Please be in prayer for those names being brought forward for the Elder Nominating Committee. After a series of meetings, prayer and reflection, this group will be selecting three Covenant Partners to be elected to the 2017/2018 Ruling Elder Class which will serve a three year term on the session.
