## Newcomers' Seminar:

### Sunday, March 5

*Submitted by Leslie Potkaletski, Pastoral Administrator*

Trinity Wellsprings Church offers the [Newcomers' Seminar](#) to enable you to discover who we are, what we believe and where we are going. This one-session seminar is especially designed to help newcomers discover how involvement in the Trinity Wellsprings Church family can provide significant friendships and spiritual growth. Ultimately, it is our goal for people to get plugged into small groups and begin a journey through life with others in authentic community in a Life Group setting.

We also strongly encourage those who call Trinity their church home to pray about serving in a ministry area within the church. All of this begins with what we call the [Newcomers' Seminar](#). This is a normal route by which newcomers become members of the congregation, if they so choose.

We offer the [Newcomers' Seminar](#) several times a year. It begins at 4:00 pm on Sunday afternoon. At 6:00 pm we take a break to enjoy a meal provided by a team of covenant partners. Following dinner, we resume, finishing at approximately 8:00 pm. Nursery is provided for families with children up to 4th grade who desire it; the children join us for the meal.

If you are new to Trinity Wellsprings Church, we invite you to be a part of this exciting opportunity to enjoy fellowship with others who, like you, want to build new friendships and learn more about what God has in store for them at Trinity.

To register for the upcoming Newcomers' Seminar you can indicate your desire to attend on the back of your Communication Card or go online to: [trinitywellsprings.com/newcomers](http://trinitywellsprings.com/newcomers).

We look forward to meeting you and getting to know you.
