

# Weekly Spotlight: Children's Ministry

*Submitted by Angie Rogers, Director of Children & Family Ministries*

What a fantastic Vacation Bible School week! We had 144 children in attendance and 130 adults and teens in leadership. The campus was filled with smiling faces. We invite you to continue the fun at one or more of our other activities:

**Sunday JAM** is our "Sunday School" starting at 8:50 am and 10:20 am. The classes for 2-year olds through rising Kindergarteners are in the Early Childhood area of JAMLand on the first floor. Elementary kids are part of a large-group then small-group style of class. We start with Fun & Fellowship for play time, then Music & Message for praise music and introduction to the Bible story, then Small Group time. Children help lead the music alongside our adult and teen volunteers.

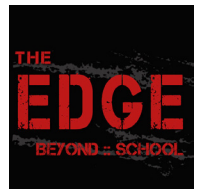

**Fall Kickoff** Trinity Wellsprings Church will host a variety of activities for adults, students and children at our Fall Kickoff on Sunday, August 20.

**MOPS** (Mothers of Pre-schoolers) meets on alternate Friday mornings during the school year. Moms experience Biblical, peer-group encouragement while their MOPPETS children enjoy their own special learning and play time with loving volunteer caregivers. For more information, visit [trinitywellsprings.com/mops](http://trinitywellsprings.com/mops)

**The EDGE::Beyond School** is our after-school outreach to neighborhood children. It will resume in September for 10 weeks on Wednesdays from 1:15-5:30pm. Elementary kids 1st – 6th grade are welcome. Registration will open in August.
