

## Dear brothers and sisters of Trinity Wellsprings Church,

Grace and peace during this HOLY WEEK. Although COVID-19 has canceled our face-to-face gatherings this week, TWC is forging ahead to celebrate online the last earthly week of Jesus that changed our lives and changed the world!

Today, grab a bowl of water, a bar of soap, & a towel and participate in a **"Stay-at-Home" Foot Washing** following our 7:00 pm **Maundy Thursday** service filled with worship, drama, & short teachings by Rev. Tom Mayo & myself. (*Live alone? No problem, just follow the instructions at the end of the service!*)

On **Good Friday**, join us at 12:00 noon for a short time of worship & a dramatic reading on "The Science of the Cross". Register before 12:30 for a **VIRTUAL LUNCH** and we'll send you a link to join an online video call where I will be doing a DEEP DIVE on the biblical/theological meaning of THE CROSS. Buckle up for 30 minutes of community and meditating on the cross!

On Holy Saturday, register **HERE** for a **"Holy Saturday Silent Retreat"** where a spiritual director (yours truly) will guide you *before* and *after* a 90-minute Silent Retreat. I'll also explain what "Holy Saturday" means in the Christian tradition and we'll wrap up by sharing together -- in community -- our spiritual pilgrimage during the retreat. (Once you register, you'll get a link to join an online video call.)

All these Holy Week activities, including our Easter Online Service, can be found by clicking on **"Holy Week Connections"** from the home page of the TWC website.

## OVERFLOWING MISSION during COVID-19

The LOVE INC.'s e-newsletter this week highlighted Trinity Wellsprings Church in the following way:

- *"The Haven for Children was faced with needing to provide breakfast and lunch unexpectedly for the children for the first week schools were closed to COVID-19. [Among others] **Trinity Wellsprings** sprung to action to provide these meals and more! What a beautiful picture of Christ's Church (Christians) coming together to meet this important need!"*

Ways to Get Involved during COVID-19:

- **Can you Give-a-Meal?** Love INC has partnered with The Bearded Chef and a group of volunteer drivers (background checked) to deliver free meals to seniors, the immune compromised, and those required to self-quarantine at home. To Give a Meal, donate **HERE**. To register to help, call Love INC at 321.253.9543 Tuesday-Thursday from 11 am to 2 pm. (The giving link was officially sent out via LOVE INC.)
- **Can you TUTOR?** Neighbor-Up Brevard is looking for (online) tutors that will help children with their stay-at-home school work during COVID-19. If interested, contact [adminassist@bndcserve.org](mailto:adminassist@bndcserve.org) for more information.

We want to double-down on our mission, even during these times, of *"Being & making fully-alive missional disciples of Jesus Christ who overflow into our community and world"*.

**Thankful to lift up the name of Jesus with you during these days,**
