

Holy Spirit Headband

Supplies:

- Holy Spirit Flames Printable
- Holy Spirit Headband Printable
- Scissors
- Crayons or Markers
- Glue Stick
- Tape or Stapler

1. Each child will need one headband with a Bible verse and an extra to make the headband long enough to go around the head (flip it over so the blank side faces out).
2. Let each child color a flame and cut it out. Explain that the Holy Spirit came down like fire and set upon the believers' heads.
3. Glue or tape the flame to the X on the Bible verse headband.
4. Measure around your child's head and add a length of headband as necessary with tape or a stapler.
