

All kinds of people –
not just professional builders –
joined in the work.

In each row, draw a line through
all the materials a builder might use.
Circle the remaining words which
describe 9 types of people who helped
rebuild Jerusalem.

Builders of the Wall

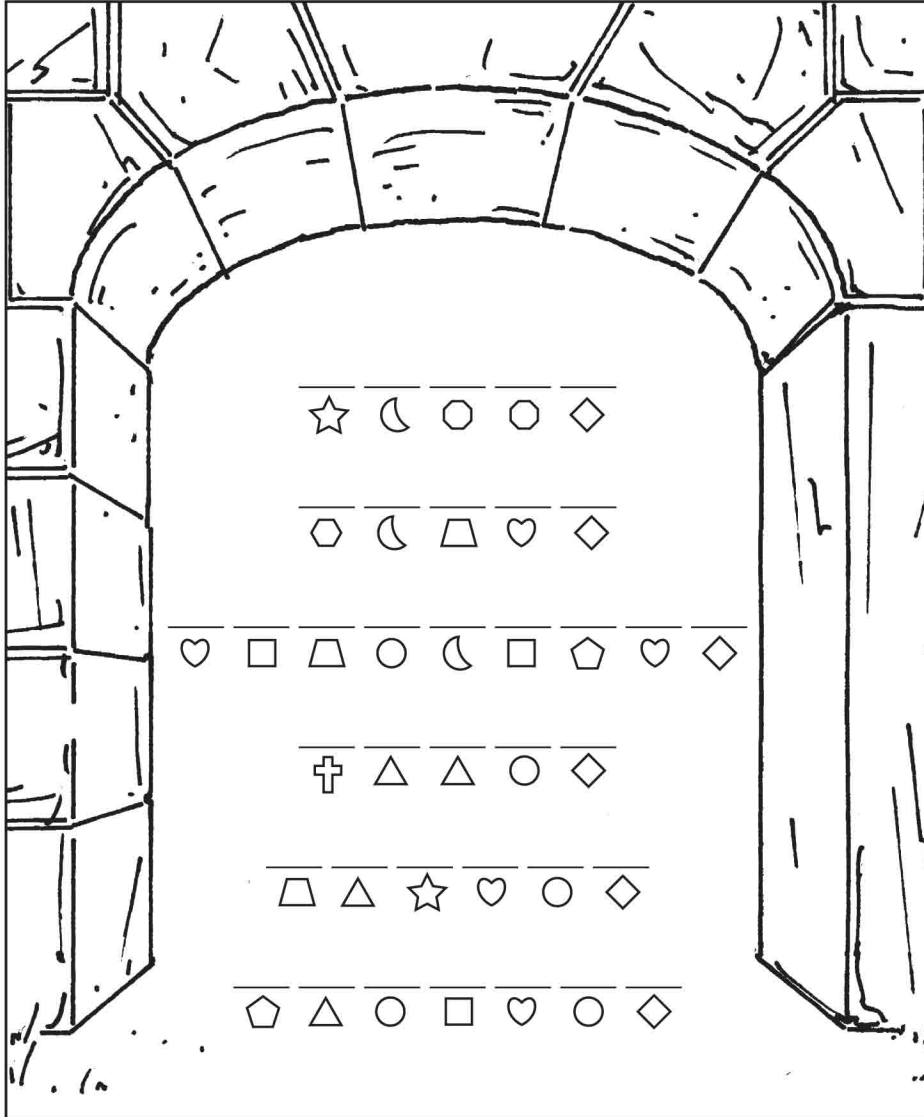

God's people had a big job ahead
of them when they returned to Jerusalem.

Put an X through every brick that contains the letter C.
3 words will remain, telling what they had to do.

The city had been destroyed by invaders.
 God's people worked hard to repair and rebuild
 6 important parts of the city.

Use this code to find the 6 parts on which they worked.

a = ☾ c = ⬠ d = † e = ♥ g = ⬡ l = ○
 n = □ o = △ r = ○ s = ◇ t = ▴ w = ☆

Though they were Israelites, the nobles of
 Tekoa missed out on having a part in the project.

Supply the only letter that can begin each word below.
 Read the resulting words from top to bottom, left to right,
 to find the reason they missed out.

__ortoise
 __arpsichord
 __nergy
 __acht

__alrus
 __ctopus
