Dear Trinity Wellsprings Church family,

I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now. ~ Philippians 1:3-5

What a joy to partner with you in the gospel of Jesus Christ! God has gathered a wonderful group of saints at Trinity Wellsprings Church to follow Jesus together on this road of discipleship and partner together to reach our community for Christ. What a joy! What a privilege!

Let me give you a “heads up” about some of the changes to our Sunday morning worship:

- **Beginning on Sunday May 16, the 9:00 am Worship Service will return to the sanctuary.** I've been so thankful for “The People of the Tent” being so flexible during the last 12 months, as we've experienced the whole gambit of God's good creation in Central Florida – both the good (nice breezes) and the bad (high humidity) depending on the day!

As we resume having two worship services in the sanctuary, we are adding extra equipment that purifies the air quality. We are installing Air Scrubbers that are proven effective on bacteria, viruses, mold, and fungi on surfaces and in the air.

Our Updated Mask Policy: Our elders recently decided to update our mask policy in light of the reality that the majority of our congregation who wants to get the vaccination can do so by the middle of May. Beginning this Sunday, you will notice as you enter the sanctuary signage indicating:

- Left Section: No Masks Needed
- Right Section: Masks Required
- Middle Two Sections: “Choose your Own Adventure” | “Wild, Wild West”

In short, “**Masks are Optional but Honored**” at Trinity Wellsprings Church beginning Sunday May 9, and we will continue to display an *unmatched level of graciousness* as folks navigate this season of the coronavirus in divergent ways. Our sanctuary will continue to accommodate social distancing by using every-other-row.

- **From June 6 to August 29, we will transition to our “Summer Worship Schedule” and offer two worship services at 9:00 & 10:30 (both in the sanctuary).** Florida churches our size have long embraced a summer worship schedule. Over the years, one challenge confronting Trinity is how to promote “one church” across our different Sunday worship services. This summer, we hope to see a healthy cross-pollination of worship and fellowship between all of our Covenant Partners!

Just as our 9:00 crew set up chairs and faced unpredictable weather over the last 12 months outside under the Tent, I know our 8:00 crew will embrace this same level of flexibility because we recognize

that the “big things” at Trinity will remain the same: Jesus is central, the gospel is central, and the mission is central. Say it with me: “*Change is fun!*”

The Replanting of Trinity Wellsprings Church: Our Next Steps

Right now, every church in America is now a church re-plant. To thrive in a post-covid world, our church is striving to make a turn “outwards” towards our community in hospitality, love, and intentional mission.

This upcoming summer, we will rally around **FOUR BIG EVENTS** that are profoundly missional in nature, providing you an “easy on-ramp” to invite your friends and neighbors that might be new to the Trinity family:

- (1) Coffey Anderson Concert – Friday June 18.** Can you especially think of a friend who doesn’t have a church family? That’s exactly the person I want you to invite to this outdoor concert! Invite your neighbors and friends for a wonderful, family-filled night of fun – but especially think of bringing those who do not have a church home!
- (2) Vacation Bible School – June 28–July 2 (9:00 am – 12:00 pm).** As always, VBS is an “all hands on deck” adventure as we welcome children and adult volunteers to experience the “Knights of the North Castle”.
- (3) Summer Camp: The Beach House Experience – July 14–17 .** This camp will be rocking this summer, and all teenagers are welcome! (Grades 7-12).
- (4) The Relaunching of Trinity Wellsprings Church | Bring a Friend Sunday – August 15.**

Bring a new friend who doesn’t have a church home on Sunday morning! Perhaps it’s the same neighbors or friends you invited to the Coffey Anderson concert. As our “regular rhythm” begins in mid-August, make it a goal to invite someone new to this special Sunday morning service.

On August 15, we will also be relaunching our Children’s Ministry in our newly renovated (and newly branded) space in our regular JAMLand classrooms...*more details to come!!* Families with children are encouraged to circle this date on their calendars!

Life Groups & “SAY YES” to Serving

Finally, we will be doggedly rebuilding and relaunching our Life Groups in the Fall. Please check the “**Join or Lead a Life Group**” box on the accompanying “Say Yes” flyer in order to build healthy relationships of fellowship & mission with your church family. In addition, our church is now faced with rebuilding our network of lay leaders and faithful volunteers. I know there is a place for you to serve at Trinity!

You can mail back the “SAY YES” to serving flyer to our church office, scan the QR code to volunteer, or go to <https://trinitywellsprings.com/say-yes-2021/> to jump into various roles of service. To act like a church replant, we need everyone on board serving as you are able.

Thankful for your love and faithfulness,

Rev. Dr. Jason Carter | Senior Pastor & Head of Staff
