The Way: Apprenticeship with Jesus

"No one graduates from a life of discipleship."

Maturing & Equipping

OVERVIEW

1. Purpose

- Provide transformational knowledge & spiritual practices that **matures** and **equips** disciples and leaders of Jesus Christ in a life-on-life environment.

2. Who

- Overarching principle: "No one graduates from a life of discipleship."
- The targeted participants are leaders of TWC (elders, deacons, life group leaders), future leaders, and members of our session-led committees (finance, personnel, mission leadership team, and facilities).
 - ✓ Elders will be invited to participate during one of their three years on session.
 - ✓ Life group leaders will be invited to participate (at least) once during their oversight of a small group.
 - ✓ Future life group leaders will emerge and be trained through this maturing and equipping ministry of TWC.

3. What the Group is Not

- A big classroom environment – an effort will be made to keep the group intimate (no more than 15) so transformational knowledge and intimate relationships are fostered.
- It is not primarily designed to help you gain more knowledge (though knowledge is important).
- It is not primarily designed to be an accountability group (though accountability is important).

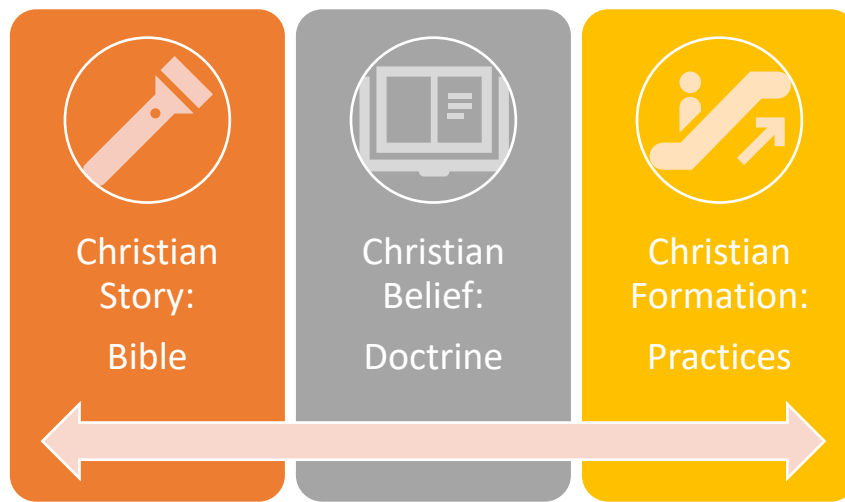

4. Commitment

- This is a one-year commitment (aka: 8-month ministry calendar year).
- We will ask participants to sign a commitment card to ensure full participation for the entirety of the journey.

5. Weekly Goals (ABCs)

- Accountability in spurring one another on
- Bible memory
- Content

6. Content: Three Building Blocks of Deep Discipleship

- **Christian Story:** 8 weeks that covers the basic storyline of Scripture. The goal is to help disciples understand, explain, and participate in the true story of the world in deeper and richer ways.
- **Christian Belief:** 7 weeks that covers the basic orthodox beliefs of Christianity. The goal is to help disciples understand, explain, and apply the basic confessions of Christianity.
- **Christian Formation:** 7 weeks that covers the basic habits and practices that shape the Christian life. The goal is to help disciples understand, value, and employ these practices in their daily lives as means of grace.

7. Bible Memorization

- “The Way must not be for me because I’m terrible at memorization.” The truth is that most of us are terrible at memorization! In The Way, we will come alongside one another in a gentle and loving fashion with a “give it a try” kind of attitude.
- Dallas Willard: “Bible memorization is absolutely fundamental to spiritual formation. If I had to choose between all the disciplines of the spiritual life, I would choose Bible memorization, because it is a fundamental way of filling our minds with what it needs. This book of the law shall not depart out of your mouth. That’s where you need it! How does it get in your mouth? Memorization.”

8. Yearly Schedule

- Meets 20-22 times a year from September through April.
- Meets the first three weeks of the month, taking the last week off.
- Meets for 90/105 minutes on Wednesday nights, 6:00-7:30/45 pm.

9. Weekly Schedule

- The first 30-45 minutes is devoted to mutual spurring/biblical fellowship.
- The second 45-60 minutes is devoted to content and questions.

10. Spiritual Retreat:

- Fall Retreat will be planned (Friday Night thru Sat night/Sunday morning)
